I am so sorry to hear that your mom, Grandmother has passed away. I will always remember her sparkling beautiful eyes, her smile and little laugh. I loved having dinner there many an evening, a lot of laughter and silliness with her and Frank, so fun. Mary was a modern woman from the start, driving her Cadillac everywhere. Taking care of her family for many years on her own . She made her long life all about her family. She will be missed and remembered always. My deepest condolences, MARY SHERIDAN
