“ We mourn Mary Lou while we believe she is spiritually at home with Herb and her mother and father. Mary Lou and Herb were snow birds, and we enjoyed meeting them often for lunch during their winters in Florida. They were fond of sitting in "Willie's corner" at Texas Roadhouse. Mary Lou had a fun sense of humor and generous spirit. Bill remembers how Mary Lou, his older sister, enjoyed ice skating on White Pond in Akron, Oh. She would take Bill with her insisting they would have fun. Mary Lou and Bill celebrated their birthdays together on Jan. 11th because their birthdays were the 10th and 12th, respectively. She was a great Ohio State football fan, and she will probably pray for them now. We miss her, but we believe we will see her again one day.

“ I have many memories of Mary Lou. We taught at St Michael School in Flint Michigan many years ago. I consider Mary Lou a friend. Mary Lou stood out as a very gifted woman, a wonderful teacher with a great sense of humor, a person that cared for others, a teacher loved by her students. Mary Lou Was full of energy and loved life. My sincere sympathy to all the family and your loss at this holiest time of the church year when we reflect on Jesus passion and death and rejoice in the mystery of Easter and resurrection blessings.
