

Mary A. Nardiello

February 10, 1927 - November 29, 2023

Albany, NY-Mary A. Nardiello, 96, entered Eternal Life Wednesday, November 29, 2023. Born in Albany, she was the daughter of the late Charles and Grace Apetitto Ciarfello.

Mary was a senior account clerk and longtime employee of the New York State Department of Health. She is also a former representative for Avon. She was a former member of both the Italian American Community Center in Albany, and the West Albany Italian Benevolent Society Woman's Auxiliary. Mary enjoyed Mahjong, crocheting, knitting, casinos, golf, and spending the winter months in Florida.

Mary was a devout Roman Catholic and longtime communicant of Blessed Sacrament Church, Albany, NY where she volunteered whenever needed, and belonged to their Rosary Guild and Over 50 Club. In many ways her church was as important in her life as her beloved family. Her children will always remember her nurturing spirit, and involvement in their many activities. And they are so grateful to their mother for her example and love.

Mary was the dear wife of the late Anthony C. Nardiello, who passed away in 2006; beloved mother of Rosemarie Reed (Paul), Dr. Charles A. Nardiello (Gayle), and Patricia Mangini; cherished grandmother of Christina Caron (Mark), Nadine Baker (Steve), Jessica Ovitt (Frank), Michael Mangini (Robyn),

Charles Nardiello (Amy), Bryan Reed (Amanda), Andrew Mangini (Michelle), Alisa Weiss (Dave), Melissa Atayee (Abdul), and Katy Burn; she had several deceased siblings, and survived by 17 great grandchildren, and many nieces, nephews and friends.

The family would like to extend a heartfelt thank you to the aids who have cared so tenderly for Mary during this last chapter of her life.

“ *Such a sweet lady to be around, for the last 12-13 years which I have known her. Whether at Charlie's house in Florida, or when we would annually help move her in and out of her "winter home" in Florida, she always remembered and appreciated being with Nancy and I, and Charlie's friends. Made us feel like we were part of her family! God bless her.*

“ My Aunt Mary meant so much to me. It would take me hours to tell you all the wonderful memories I have. Aunt Mary was my mother Rose’s (Ruby) youngest sister and my Godmother. She never forgot my birthday and she was always there if and when I needed her. She took me in for a few days when my mother was hospitalized. When I graduated from high school she had a little get together to celebrate my graduation in their house on Tremont St. When I joined the service (Navy) she always sent me cookies at Christmastime among other things like cards or letters. I remember one time my husband Dan and I visited her and my Uncle Tony (my Godfather) in their new house. We had three of my Grandchildren with us and she insisted on fixing us dinner. She said she had to fix something Italian for us along with other foods. We had the best Egg Plant Parmesan ever. She was a wonderful cook. When my mother was in a nursing home she made sure my mother had a warm coat and clothing to wear. I was living in California at that time. She was so loving and caring. She helped me and my daughter with funeral arrangements along with getting a mass scheduled at the funeral home etc when my mother passed. My husband and I visited her often when she lived in Boyton Beach, FL. She would fix a wonderful lunch for us or we would take her out to a restaurant on the water which she loved. We even went to a casino which she and I both loved to do and we had so much fun. When she moved to an assisted living apartment we would go over and visit and she never was sad with life. She was amazing! She was like a second mother to me and we were very close even when we lived so far apart as she moved back to New York and I was still in Florida. I loved her to the moon and back and then some. She made me laugh a lot and she was such a happy person and that made me happy! I will cherish so many memories of my Aunt Mary and I will miss her very much!

“*Mary was a sweet warm person who always greeted you with her wonderful smile. I had a wonderful experience with her taking her to Rivers casino where she loved playing slot machines . She traveled around that casino like a pro and I had a hard time finding her as she went from one machine to another. Afterwards we shared a Chinese lunch and she had a great appetite . It was a fun day and we shared a lot of laughs, even though., the casino turned out to be the winner that day, we really were the winners to get to spend the day together. It was a fun time , one I will never forget.i
Loved Mary and will miss her but she had a wonderful life and her daughter Patty took care of her like she was a princess . God Bless them both. They were lucky to have each other and no one could have taken better care of her mother as Patty did. Rest in peace Mary with your loved ones .*
