

Mary Patricia Philion

March 16, 1957 - March 31, 2024

Albany - It is with heavy heart that we announce the passing of Mary Philion at the age of 67 years old, suddenly after a brief illness at Albany Medical Center, on Easter Sunday morning, March 31, 2024.

Mary was born to William E and Florence (Adams) Philion at Glens Falls Hospital on March 16, 1957. They gave her the middle name Patricia as she was born the day before St Patrick's Day. She attended Margaret Murphy Elementary School. She graduated from Glens Falls High School in June of 1975.

She spent many years working as an administrative assistant for the Department of Neurology at Albany Medical Center, followed by secretary to Venkat Ramani, MD and then Anthony Ritaccio, MD. She then did medical transcription for Total Emed, until she retired in 2006.

Mary married her husband Jeffrey J. Burdick, MD on December 5, 2003, after they moved into their house in August of that year. She enjoyed fixing up the old house and had a way of making every place she lived inviting and beautiful. She also enjoyed gardening, crafts, and a really good NY Times Sunday Crossword.

She was proud to be a Philion (#5 sibling). Mary had a wonderful smile and

always took pride in sharing her life with friends and family.

Mary is pre-deceased by her parents William E. and Florence Philion, and her brother Andrew Philion. She is survived by her husband Jeffrey J. Burdick, MD, his four daughters and their 8 children, who lovingly called her Grandma Mary. She is also survived by brothers Michael Philion (Kathy), Steven Philion, Thomas Philion (Sarah) and her sisters Dianne Philion, Martha Philion, and Katey Rubin (Joel).

Relatives and friends are invited to visit with Mary's family on Saturday, April 20, 2024, from 2:00 to 4:00 pm in the McVeigh Funeral Home, 208 North Allen Street, Albany, NY 12206. A Celebration of her Life will immediately follow at 4:00 pm. Please only enter the funeral home from the rear parking lot entrance.

“ My sincere sympathy to the Philion and Mary's family. We grew up with all the Philion kids in Glens Falls and have many fond memories of them .
After high school I worked with Mary for a number of years at the hospital and she was often on my team. Mary was happy, funny, hard worker , a team player and always made work more enjoyable. . We also spent many a day outside of work and she became a good friend. Years had passed and I would at times run into her at AMC and we would pick up right where we left off. Still smiling and full of life.
She will be greatly missed and with deepest sympathy to her family and may fond memories ease your sorrow.
