“ Dear Michele and Sandy, Praying for you at this difficult time. We were so blessed to have your family as our friends and neighbors. I remember the fun times as children swimming in your pool, our parents going out in the evenings and your Mom's long, dear friendship with our mother during the good times and during the tough times. Mrs. Schmitt was always kind, thoughtful and generous. She was beloved by so many in this life and now she is with the angels.

God Bless,

Joan Meehan Hurwitz
