

Mary Catherine Conerty

July 4, 1929 - February 13, 2012

Mary Catherine Conerty, 82, died at St. Peter's Hospice Inn on Monday, February 13, 2012. Born on July 4, 1929 in Albany, she was the daughter of the late James E. and Marie (Fisch) Conerty.

Mary graduated from Vincentian Institute in 1947. She pursued her education at New York State College for Teachers at Albany (now SUNY Albany) graduating with a bachelor's degree in mathematics in 1951. She was employed by General Electric Company as an Engineering Aide. In 1954, she was transferred to the reactor physics department at Knolls Atomic Power Laboratory, retiring in 1991 as a Nuclear Analyst.

In her free time, she enjoyed photography, tennis and ice skating. Mary traveled widely throughout Europe and the United States with her good friend, Natalie Wheeler, of Waltham, MA, as well as with her mother.

She lived in the family residence on Orford Street in Colonie from the time she was three years old until failing health caused her to leave her home and move to McCauley Residence in Albany. While there, she participated in many of their activities including art and writing classes, discussion groups and exercise classes. She was a favorite with the other residents and staff because of her gentle nature and ever-present smile.

Mary is survived by several cousins, including Mary and Margaret Simon who were there for her throughout her final illness and, her longtime friend, Carlie Finch Lindemann.
