“ *Tilli brightened every room she was in, and was the epitome of love. The best way to honor someone is to be a little bit like that person, and if everyone who knew Tilli incorporated some of her essence, the world would be a much better place.*

“ *What a beautiful, incredible woman... deeply loved by an awesome family. I am a friend of Mary Jeans and went to VI with Bernie. I've know Mary Jean since she was in First Grade. My little sister Paula was friends with her family and Mary Jean was my mom and dads favorite little girl so she spent much time with us. MJ loved her Mom and they shared so much over the years. I am so sorry to all of you. Much love, Mary Jane Eddy-Smith*

“ *On behalf of the Nicklas family, I would like to extend our deepest condolences for the loss of your wonderful mother. I didn't get to see your parents often, but what stands out in my memory is your father's great sense of humor and what a sweet gracious lady your mom was. You were so lucky to have her is your life for so long, and she was so lucky to be blessed with so many wonderful and loving children, grandchildren, and great-grandchildren. What a great legacy. I just finished watching the video which was so wonderfully done and it was heartwarming to see the old pictures of your mom and dad, Aunt Rosemary, Aunt Maude and Uncle George, etc. It seems like all of that generation is gone now and your mom's passing was the end of an era. They were all such good people who cherished God, country and family.*

“ Condolences to the entire Nagengast family on their loss. Mrs. Nagengast was such a special woman who raised a magnificent family and welcomed her children's friends into her home with great caring and kindness.

Ours was a great neighborhood with lots of large families and somehow Mrs. Nagengast made time for all of us - what a saint!

All of us who knew her were the better for it.

“ I am so sorry to learn of Tilli's passing. Her thoughtful guidance as a member of the RSS board of directors was invaluable to RSS staff and leadership in our growing and refining services to our recipients. Personally, she was a wonderful person who exemplified every tenet of the Catholic faith. Whenever I saw her I left our meeting feeling very uplifted. God Bless her.
