“ *Dear Matthew, Mark, Luke and John: It is with great sadness that I send this message. Your Dad and Mom were very special to me. I am writing this with tears in my eyes as I remember them and the memories I have of them. Memories from Hawaii to Albany and to your family home. They helped me in more ways than you will ever know, but most of all I remember the laughter and the love. May God bless you all with the wisdom and strength needed during this very sad time when we ask Why.*

with all my love,

“ *Hey Men::; Although I remember you as young boys. Needless to say we have lost a special person as you all know. I have talked to many people since he passed away and everybody said many nice things about him. He was always a gentleman and a great father and friend. Right now along with your Mom he is still looking after you and he will always do so. You are all in our thoughts and prayers and may peace be with you.*

“ Matthew, Mark, Luke and John - Sending you my deepest condolences on the loss of your Father. I am so blessed to have shared so many wonderful memories with your Father and Mother in Florida, as well as many outings to Saratoga every summer, family fun at Brant Lake and many weeks of enjoyment at Trapp Family Lodge and great vacations to Colonial Green with my Dad. Lots of wonderful memories that will live on forever and I am so grateful to have been a part of. I can honestly say your Dad lived life to the fullest and always had a lot of fun at everything he did. Always laughing and joking. He hated to lose at anything, especially those endless card games, which I think is a Hallmark of the Hulbert name. I especially admired his love and devotion to his family and his sons, whom he worked so hard to ensure you all received the best education, just like GaGa and Chief did for him and his siblings. And his devotion to your Mother, goes without question. God rest his soul and I am so glad he is now at peace. I will miss him dearly. Much Love, Cousin Beth
