“ *I was privileged to know Maureen well when she worked at St. Rose and I was a student there. What a fun free spirit she was! And a truly kind soul as well. Over the past few years I only saw her from time to time but we always could quickly reconnect. May she be at peace. My deepest sympathies to all of Maureen's family and dear friends.*

“ Some people remain your friends even if you do not meet for years--this was true about Maureen for me. She and Sheila were people I always enjoyed spending time with, since I was a young work-study student in the Duplicating Room at The College of Saint Rose. The photo is of Maureen at my wedding, Aug. 30, 1980. Rest in peace, Mo--and I hope you are dealt a winning hand at the celestial table! I will miss you.

What happened to Maureen? The last time I read anything was when she was in remission from cancer. Also, a correction in regard to high school. She graduated from Plianedge High School but lived in Massapequa. I lived on the same street as she did--Virginia Avenue and was in the same 2nd Grade class at Baldwin Drive School. Can someone please let me know what happened. I was a close friend of their family and the last time I saw her was in 1994 when she had dinner with my family.
