“ *I met Maureen when we were students doing our rotation at St Vincent's Hospital Harrison. We came from different schools of nursing. We met again when we both worked at the hospital. We shared watching each other's children so we could both work. Maureen was like a big sister that I never had. I missed her terribly when she and the girls moved to Loudonville. RIP dear friend.*

“ Don't know how to express the depth of my heartache....😭😭 I was so happy to reconnect with Maureen years ago when we were on the SPH Alumnae Board....she shared her memory of me remembering the letter I wrote her when she came to St. Peter's Hospital School of Nursing as a freshman to welcome her as a new student....she was assigned as my "little sister"since I had 3 brothers...she was the 'sister' I never had...n I believe she knew that ...😍 I loved her dry sense of humor...especially her stories when she was watching over Kathy during many a "happy hour" and some sleepovers....😭 I will miss her so very much, but she will be in my heart and prayers forever and ever....🙏🙏 Condolences to Courtney and Katie and her beloved grandchildren Alice and Max....❤️

I only met Maureen a couple times and that's all it took to see that she was a beautiful loving and spiritual person. She loved her daughters who were there for their mom. Maureen loved her grandchildren Alice and Max. Alice was always excited to visit her Mimi and have sleepovers with her. My condolences to her daughters and lovely grandchildren. We now have another Saint to pray to. Dottie caruolo

As a MCM consultant that worked with Maureen while she was at PERMA I admired her medical knowledge, compassion, professionalism & her singular ability to cut through the bureaucratic distractions with ever ready pithy humor! I always looked forward to our phone calls & lunches. My deepest condolences to her family for your profound loss, she was truly a unique & classy human.
