“ To the Family of Maureen ----

I send my deepest condolences to you and may she Rest In Peace. I worked with Maureen at OMRDD when she was my Supervisor. After I left I was still her friend and we did alot together. One of the memories that I have is when we went to the movies in East Greenbush and we ate our subs, popcorn and candy in the back row and had so much fun.

She enjoyed working as a Secretary, going out to dinners and enjoying life.

I saw Maureen and Frank for the last time when they were in New Smyrna Beach, Florida a few years ago and we had a good time having lunch and shopping in the stores especially when we went into the candy store buying all her sweets.

Maureen had a good life with Frank, Brian, Jaineen and Sharon helping her to be able to stay home with her illness. She was always determined to go out as much as possible even when it was decided to take their pet dogs for their Christmas Picture Card last year. Also, there was an evening when she was watching TV and saw a commercial of a Hibachi Buffet and said I would love to do that and the way they went to an Hibachi Buffet. She lived her life to the fullest and I will miss her.

She is another angel that is close to God that I will have in heaven. May God bless and give the family strength during this time.

With much love to everyone!

“ Maureen and I became instant friends in our early childhood, approximately 70 years ago. I felt as though she was my sister as I practically lived @the Johnson household w/so many sleepovers, trips to Lincoln and Washington Parks for swimming and free entertainment. None of us had much back then but were so anxious to share everything we had. I'll never forget all the fun we had and how we always had each other's backs. My sincere condolences to all of her family members and friends like family. Heaven has surely gained another angel. With much love, I say goodbye to my dear, sweet friend and I know she's in a better place now!
