“ *Today is the day that we all look back at with sadness, your family. Will always feel your loss. Mindy was loved deeply by those who knew her, that kind of love never dies, mindy took all that love with her, I believe she was cradled in that love when she when to stand before Jesus. Beautiful mindy is now in heaven, with all those we love who gone before her. But I don't believe she's just hanging out up there, she was loving and playful a girl. I dont believe it could be heaven if you couldn't visit those you love. I think mindy visits often in dreams to those she loves, especially the kids. I'm sure she wouldn't miss a family get together or party. Remembering her playful personality you know in your heart when you catch a feat her floating down from the heavens it was from mindy. When your car radio or your phone is acting weird, you can be sure she is having fun with fun. Mindy physically may have. Left but her spirit and soul are still in your heart. Just think about her for a minute and you will see her smiling face. My love to you all thinking of mindy colleensc*

Three sisters are we
I love each of ou,
And I know you love me.

*We're not always together,
Life sometimes keeps us apart.
But we're never separated
We're in each other's heart.*
