“ For Bertie and the loving Carlin family: Lee and I send our deepest condolences on Mike's passing. We are deeply saddened that Mike had to leave us so soon. We have known Mike from 1995 until the present and have enjoyed his friendship over the years. Mike and I worked together from 1995 until his retirement in 2001, and Mike was a very dedicated and well-liked FBI Special Agent. I consider it an honor to have had him as a partner and colleague, and Lee and I are truly blessed to have gotten to know Mike and call him "friend". Mike will be truly missed! Bill & Lee Beatty

“ Carlin Family: I wish Mike had renewed our friendship earlier .It was a pleasure to meet with him every couple of weeks for coffee. Our views of the world were so opposite. We had a good time discussing them. Our recollections of the times on the WASP were different. He said we went to places and I said he was mistaken. It really did not matter.I am really going to miss him.

**BEST TO THE FAMILY AND MAY MIKE RIP!**
