

Michael C. Flowers

April 14, 1998 - November 7, 2018

Albany- Michael Christopher Flowers, 20 passed away from a short illness on November 07 2018.

Michael was born in Brunswick Maine on April 14, 1998. He Attended Christian Brothers Academy and graduated in 2017, where he was a member of the color guard and track and cross country teams. He attended Mount Ida College and was currently enrolled at Franklin Pierce University majoring in communications.

Michael was an outstanding athlete in track and cross country and accomplished statewide recognition for his talent. Michael was an amazing person with the kindest soul who would help anyone in need whether he knew you or not. If you knew him, you know that there was a special magic about him, his smile, and his overall personality and his ability to light up a room.

Some of the things Michael enjoyed were spending time with family and friends, playing Xbox, and listening to music. He is survived by his mother, Jennifer Furbish, his father, Jimpson Pell, his grandmother Francine Pell, and several aunts, uncles, and cousins and many friends. He is pre-deceased by

his grandmother Helen Furbish.

Michael was very proud to have been a part of the Christian Brothers Academy family and truly believed in their values and ethics, therefore in lieu of flowers Michael's family would prefer donations be made in his name to the Christian Brothers Academy school in Albany NY.

Mike went to CBA with my grandson Felix. I met him on a few occasions when I visited. He was a wonderful young man. Felix always spoke highly of him. My prayers are with his family and friends.

Mike was a friend to many students in my courses. Though I never met Mike, I heard how kind he was, holding doors open, sharing candy, and always smiling. As a faculty member and a mom with a 20 year old son, I offer my condolences and hope you find comfort in your loss.

“ I am so very sorry for your loss. I did not know your beautiful son, but he graduated with my son Zach Kielb and when I called to tell him of the sad news, he was so very sad. He said he was the nicest kids ever, he was a Colorguard as well and said "Mom...he was just a regular guy, just like me" He never had anything bad to say about anyone and was always nice to me. Please accept our sincere condolences, we have been praying for you all and will continue to keep you in our thoughts and prayers.

“ We met Michael when he and his mom entered our lives at her new job at the MHA. It was a package deal. What a joyful, curious and loving boy! The pride and joy of his mother's life. She would move on to new endeavors closer to home and it would be years before I would see him again. As a young man his eyes gleamed with that same sweet boy spirit but there stood a respectful and handsome young person still the apple of his mother's eyes. On behalf of the MHA and from deep in my heart~ we mourn with his family and friends. No words can offer the peace needed but know you are in our thoughts and my prayers.
