“ *We knew Michael for only several summers. As with some others, he also sold us our boat, and his kind, gentle soul was shining through everything he did, everything he said. We will miss dearly meeting him at Yankees and cannot even imagine the pain of his beloved, the void that he left. RIP dear Michael.*

“ Our Family shares in the grief you are feeling at the loss of this wonderful gentleman. I had the pleasure of meeting Mike through my husband Bernie, who thought the world of Mike. Numerous times I'd find my husbands truck at the Yankee Boating Center parking lot here in Colonie and it was always thought I was coming in to squash a deal on a new boat-but that wasn't the case, I'd just rib the two of them and enjoy the banter w/this pleasant man taken far Far too soon.

The Martinese Family send their thoughts and prayers to the entire Lennon Family.

“ Let me tell you a story about Mike. He had a small vase in his car with water. Every day he would go buy a small posy of flowers , have the stems trimmed short, and put it in the vase. When he came across someone who was sad, or struggling, he would present them with the flowers.

Mike was a consummate gentleman. I have memories of swimming at Bolton Landing; watching fireworks from his boat; going to a Santana concert. He loved life. He loved family. It's so so sad to know he is gone. Rest In Peace from your long battle, Mike.
