“ Mickey was such a positive role model for so many high school students! He was always so enthusiastic helping high school kids after school with all types of things. He was a mentor to me always trying to help me with problems and always pumped with what I was trying to teach kids about materials. I will never forget all the things he gave me and taught me. He was a unique person and I will always remember his smile and his caring interest in my projects. Thank you for so much Mick!! May you Rest In Peace. You made an impact with so many.....

So sorry to the Lyons family for your loss.  
In my 26 years with AT&T and beyond, I never met or worked with anyone so knowledgeable, so friendly, and so willing to pass his knowledge on so others would be able to share in his success.  
He was a giant in my work world!  
So sorry,
