Thank you for the tribute to Mike. I knew him as a very loving and caring individual. He cared for the children, the children that needed his sincere attention. Amazing son, brother, and friend. Mike had a gift that many strive for and it came naturally for him. Thank you, Mike, for making our world better! Thank you for caring for those that deserved it most and giving unconditionally. Your legacy will never be forgotten. Namaste!

“ My sincere condolences. May the words at Isaiah 25:8 bring you comfort during this difficult time " He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces.”

“ Mike was a great friend and classmate from our years at Albany Academy. He was always full of the joy of living and cared about everyone around him. Although it has been years since I've seen him, the memories of all the good times, and I dare say all the wild parties, will live on forever. Rest in peace my friend.

“ To the family of a wonderful man and teacher,
The Bikowitz boys were blessed to have been taught by Mike in 5th grade. When I would see my dear friend he would always ask about them, as they are men now. I have not seen him in two years, as my daughter is at the High school now, but the last time he reminded me of the time my Michael invited him to Thanksgiving. That is how much we all love him! I am so very for your loss!!!! There are not enough words for to describe the man he was and his life and work has changed many lives! Thank you for Sharing him with all of us!
We love you Mr. Pickett and are going to miss and think of you always! With Love, Rose Bikowitz

“ Mike taught my daughter 16 years ago. He was a wonderful teacher! Mike was kind and compassionate. He went out of his way to connect with a very shy child. I will always be grateful to him and the time he spent teaching my daughter.
