“ *I worked with Bubba for only a short number of years at Hoit but he was one of the people that I will remember for the rest of my life. He worked hard, had a smile for almost anyone and was a good hearted soul. After the company was dismantled by the incoming owners, he was always remembered by all who knew him best and was too good a person to remain in the employ of these people. Mike was the most devoted family man I ever knew and was a good friend and I will always miss him. If anyone knows how to reach Mike Battaglia, please inform him of the passing. May you always rest in the arms of Jesus, my friend...*
