“ *Wow I didn't know until just now! I am in shock by this. I was his boss at Caldor back in late 80's early 90's we had many great years working together and we were more than boss, employee we were friends, but like many things in life lost touch with each other thru the years! Rest In Peace!*

“ *I send my prayers and sympathy to all of Kiki's family. I remember when the family moved to North Albany while we all in Sacred Heart School. Jerry was in my grade and Mike (Kiki) was a few years younger. They were athletes and we played sports together up into our 30's. Always wanted Kiki on my team because he also hated to lose and was a fierce competitor. He always had a smile and we would reminisce about the good old days. A good guy, you'll be missed! Call next game on the hoop courts in heaven. Rest in Peace, I'll drink a toast to you!*

“ To the entire Wierzbicki and extended families: My heart is heavy. Karin shared the sad news. I have many memories going back to our teenage years of Michael. May you take comfort in your memories and may Michael RIP. I think Jerry met him as he entered heaven with a football. As a fellow Yankee fan and Notre Dame football fan rest easy Michael

“ Michael was a dear and close friend for many years. I remember one time when he came to visit us at the Barker House. He went out in the morning and was gone all day. Bob and I had no idea where he could be. Finally he comes walking in the back door about 6 hours later.....He got lost and ended up in Chambers burg a good 45 mins. from New Oxford.
I am sure he and Bob are now setting together enjoying a good cigar together.
