“ *The Bette Family*

You may remember my name but I doubt any of you would recognize.

My relationship with Mike and Bob goes back to Lange Finn days when we used to lend Barry Bette equipment and material and receive the same courtesy.

Bob encouraged me to interview with Tom Murray and Donnie after I left Lange Finn. Mike would always ask how I was doing and always have time to talk Siena Basketball. He made sure I was on the bus to the Garden for the NIT. My son and Diane May were dating when Mike was honored as a Man of the Year and he made it a point to come over and make sure Diane knew she was special which she really appreciated. Mike was a Gentleman and a kind and nice man. He will be missed. Our thoughts are with you.
