“ In 1948,when she was a mere 4 years old, Michele was the flower girl in my parents' wedding. I was fortunate enough to be able to share that memory with her and chat at her mom's wake just shy of three years ago. I am grateful for having the opportunity to connect with her and bring a smile to her face since I have been looking at that wedding photo and that cute little girl my whole life at my moms. I want to express my deepest and heartfelt condolences to her entire family on her loss... My prayers will be with you all.... Art P.

“ *I cooked sauce today and thought of you (Minus the meatballs, I could never mimic your recipe). Thus far, you’ve accompanied all of my major life events. Thank you for being the greatest grandmother a girl could ask for. I love you.*
