“ To my dearest Mother,
Where can I ever begin to say thank you for giving me life and teaching me to be the person that I am. You gave me more than you could ever know and I am blessed to have had you for a Mother. The fond memories that not only I have but the wonderful memories you gave to all that knew you, especially your grandchildren who you truly cherished. I am the luckiest person to have Mike who loved you, cared for you and cherished you like you were his own Mother. There was not a day that went by that he was not concerned about taking care of you. Our Dan had so much love for you and you gave him so many times to relect back on and laugh at the silly things you did and the hugs and kisses you always gave. He is so fortunate to have that since I don't have those wonderful grandma memories. You will always be in our hearts and we are just glad that you were home with us when you passed on to your next life where we will someday all meet again. Give a great big hug and kiss to Aunt Chig and Aunt Diddi-Dot and tell them how much we miss them too. I will love and miss you forever.

“ My dear mother, I love you and miss you. The hurt and sorrow that I feel can not be put into words. You did your best to raise me and make me what I am. You taught me the true meaning of love of family and friends, for that I love you. There were times when I caused you worry and sorrow for that I am truly sorry. You touched the hearts of all who knew you and you will be missed greatly. Rest in peace ma. Your son Tom.##imported-begin##Thomas G. Goss Jr.##imported-end##
