“ To Nancy's family, you all are in my thoughts and prayers. Your mom was the best and 1 of my favorites to be able to care for. So many memories, the best is her smile. I loved her smile, so full of love. I wish I could be there to show support to you all through this difficult time. She is with her true love again. I will cherish the memories I shared with her, the Italian she taught me and how she remembered my name and who I was! And the love story she told me over and over about how she met Joe.
