“ *Dear Pisitelli, Melius & Dwyer Families,*

*My sympathies go out to you for the loss of your sister. Nancy and I had many good times together in years past and I will cherish those memories. I worked with her for many years at Knolls Atomic Laboratory. We went on a cruise together, cape cod for many years and she helped me when I moved into my condo. She will be greatly missed by me. My thoughts and prayers go out to you at this sad time.*
