“ I was a year ahead of Nancy in Nursing School at St Mary's I remember her as so much fun to be with, but serious if she needed to be for the nuns. She was a friend to everyone and always quick with that beautiful smile. I haven't seen "Whit" in over 35 years, but it sounds like she continued to be that fun-loving , kind Nancy I knew, and her pictures...all with that smile that lit up the room ! My heartfelt sympathy to her family at this sad time.##imported-begin##pat donovan girome##imported-end##

“ Jim (Pard), Ryan, Lauren and Bridget-

I have been traveling, which is why I was not able to make it to the wake last night and funeral this AM. But, please, please know that Nancy and you all are very much in my thoughts and prayers this morning and will be all summer.

Below is a favorite poem/prayer of mine, that I'm sure, knowing Nancy, she would recite to your family and all her/your many, many friends.

Afterglow

*I'd like the memory of me to be a happy one
I'd like to leave an afterglow of smiles when the day is gone
I'd like to leave an echo whispering softly down the ways,
Of happy times and laughing times, and bright and sunny days
I'd like the tears of those who grieve to dry before the sun
Of happy memories that I leave when the day is done*

God bless you all!!

“ It was your Mom, Ryan, and your wife, Jim that introduced to your business. She attended me at St. Peters for a treatment and spoke to me of Ryan. She was ever the Mom looking after Ryan even after he entered the business world.
I saw her at Price Chopper in Glenmont several months ago and she had a smile on her face. I remember. I feel your loss and wish that Nancy ascends quickly into the arms of God and her family that waits. I pray you are comforted by that solace.

“ Dear Jim, Lauren, Bridget, & Ryan,
I was very saddened to hear about your mom (wife). I remember her from BC basketball games with a big smile always on her face. My heart goes out to you all during this tough time. Jim, my dad sends his condolences and said Nancy was "really neat". My heart also goes out to Kristin (we went to college together). Your family is in my thoughts. Love always,

I am sorry that you have lost Nancy at such a young age. I got to know her on our trip to San Antonio and would see her from time to time at St. Peter's. She always had a smile and we would resume our talk like we had just seen each other the day before. She will be missed.

“ How difficult this is for so many of us. My deepest and most sincere condolences to Jim, the children, family and friends and the passing of a wonderful woman. I will always remember Nancy for her vitality, wonderful personality, fabulous sense of humor and total enjoyment of life. I have often thought of Nancy when I might be in the laundry room dredging over the task , and remembering what Nancy once told me, "Oh, I just leave it. It will always be there. I'd rather be playing golf." Good words to live by.

I am so terribly sorry for your loss and wish I could be there these next two days. Please know that Nancy and you will be in my thoughts and prayers.

*My warmest regards,

Our hearts go out to you. Though we only met Nancy a few times, it was obvious how deep the love in your family flowed. Lean on one another during this time of aching. Laugh and cry at all of the memories. Treasure the time you had. It was always apparent just how much she loved you all.

“ *Sassy.Smart.Spunky.Fun.*

This is how i will remember you Nancy. I appreciate all your kind words and motivation during my years at the University of Hartford.

The last few meetings were memorable. I will never forget the nights of Hot Tomato "dirty girls" and the 15 minute cleanups before you'd come to visit the dorms.

Thanks for being a part of so many people's evolution.

From the Hawk family to the Murrays, you are all in our prayers and we will always be here for you.

Continue to celebrate Nancy's life by living, laughing and loving as she did.

We love you!
