“ *To the Scalzetto Family, I have known your family for a number of years, but my visits to Aunt Nellie over the past years have been memorable. From sharing her birthday parties with your family, to my weekly visits with her at the nursing home.*

She was so proud of all you and shared many fond memories with me.

I loved when I would visit and she would ask me Do you know how old I am and I would laugh. My comment was always Aunt Nellie you look better than me.

When I had a health issue this last year, as soon as I walked in she would say, Are you feeling better.

My thoughts and prays are with you always.
