“ God has a special plan for all He has created. Sometimes we do not agree with His choices but He made them for a reason. God chose Nicholas to bear a terrible disease of muscular dystrophy. All his 20 years Nick showed what strength he had inside of him to live his life to the fullest, He accepted the plan God had chosen for him. He showed us that life is what you make it !! He smiled, he cried, he went through pain most of us will never experience in our lifetime, and he did it with Pride and Dignity to the end.

*I am so proud of this special man who was my nephew.*

*He touched the hearts of many in his life's journey and gave hope to those who suffer from the illness he bared all of his life.*

*I hope in the after life you are now doing all the things you could not do while with us on this earth. I hope you are reunited with the Loved ones who left us early on to wait for you, Grandma & Grandpa, Aunt Betsy & Uncle Roger and your Uncle Robert. It is a great comfort to know you will be with family you loved once again and in a happy place where you will now be free of all the pain you suffered each day.*

*Our Family will miss you dearly but we now have another Angel to watch over us until we all are together again. God Bless you  
Love always Aunt Rose*

“ Nick was in the same grade as my little sister, he would always ask me how she's doing and what she was up to. Also keeping an eye on her for me. He was the biggest sweetheart we talked every so often just trying to make each other smile he wil forever hold a place in my and my sisters heart. You hold a special place in everyone's heart. And he touch so many people's lives

“ I remember I was in 8th grade, Nicholas was in 7th. We both sang at the talent show and Nicholas' performance touched my heart. It was so sweet and soothing. He sang Ne-yo's Because of You. This is a tragedy everyone who has ran into Nicholas has felt. Nick and I would sometime talk on facebook. I'll miss his kindness. Honestly think that kid was the happiest person I know. Nick your happiness rubbed off on me. Long live.
