“ Pat was my mother’s cousin. With my dad in the Army, we saw Pat on some of our visits to Albany. She always was good to include me and my siblings in the conversations. She may have been retired but her teaching skills were still at work. My sympathies to you and may she rest in peace. Kathleen, daughter of Kathryn Devine Coogan

Mrs. Bendon was my elementary teacher at School 16 and I was recently talking about her. She was a sweet women and good teacher that is fondly remembered. My deepest condolences to her family.

“ H Mrs. Bendon! I’m so glad that you touched my life with all of our memories and I will never forget all of the things I learned spending time with you. I’ll keep my eyes peeled for that new hip you requested. You behave until we meet again (to which you always replied, “Well, that’s no fun!”). God Bless You, Pattie B. 💙
