“ Thank you for the wonderful memories we had growing up, I thank the good Lord for sending such a Happy Soul into my life at a time when our hearts were so young and tender, memories that never did fade away, Now 40 years up the path of life and yours has expired and i look back and cry,saying we were one big family and can say we were like sisters for real....I watched the Beautiful Video and can say, you were still that Happy Soul i knew long ago, and your face never changed a bit...Sleep on sweet sister.

I will miss you Patty with all my heart. I'm so glad I was able to spend time with you when I was back in Albany in October. You are an amazing sister in law and I will never forget all the good times we had together when we were younger. I'm so grateful for facebook reuniting us before you became sick. I will always love you! Thinking of you, your Mom, Dad, Mary, Jimmy, Kathy and Billy reunited with God. Always in my heart <3.

To all of you who knew our dear sweet sister and sister-in-law Patty and who have posted tributes to her there are a few things that we would like to correct. Patty wanted her obituary to read Patricia Kindlon Crowl. She was until her last breath a Kindlon. Patty had no children or grandchildren of her own but was like a mother to her niece Amanda. She loved her nieces, nephews and great-nieces and great-nephews. She was like their grandma. Patty would do anything for anyone and was always there for everyone. She was the peace keeper. The two hour public viewing and private burial were decisions by her husband Mike which were against her wishes. Patty would not have wanted a private burial and would have loved to have had all her friends and family there to honor her. The Kindlon family does not know when the burial will be since it is private. For anyone who would like to pay there respects at a later date she will be laid to rest at the Saratoga National Cemetery.

We love you and miss you more than you will every know Patty. You will always be in our hearts. You did not deserve all of this and all the suffering you went through. You are in a better place now with your Mother, Father, sister Kathy, brothers Jimmy and Billy. Until we meet again,

*All our love always and forever,
your brother Mike and sister-in-law Wendy*
