“ *Martha and Peter,*

My mother, Mary Lapetina, taught in School 6 in Albany with your mother. My mother always said your mother was a great person, and a wonderful friend. I remember my mother telling a story where your mother put on a scary mask at Halloween, and one of their students totally freaked! I recognized your mother years ago at a Vanguard fund raiser, and she remembered me right off the bat. She told me to get my mother to join Vanguard with her. I did try but even though we weren't aware of it then, my mother was slowly declining. I am sorry for your loss. Your mother was a special person who really helped many children. I hope your memories serve to comfort you as time goes on.

“ Martha and Peter , I'm so sorry to hear that your mom passed. I will miss her tremendously. She was such a great lady. I loved her sassiness. She was always so generous and kind to me. Always asking if I needed anything and offering to help me anyway she could. I had the pleasure of doing her hair for 20 years and with that came many deep conversations that I will treasure. I'm sorry that I missed the services, as I'm away. My condolences to your family.
