“ Aunt Pat was showed me, by her actions, kindness to everyone- family, friend, and stranger. She was such a giver. I remember after work, picking her from Albany Med after a long day of bedside caring for a loved one (there were many). Her and her brother's joking always made us laugh. She never showed up empty handed or without a hug. Everyone she met was better off for having met her. We love you Aunt Pat.

“ I remember how happy Aunt Pat was when I would pick her up and bring her to my parent's camp in Berne. We all laughed so much and enjoyed my dad's barbecued food! And she could always count on me to bring her a Malibu and pineapple juice at family weddings! Loved our family trips on the bus to Turning Stone- none of us won very much but we all had a great time and took advantage of the lunch buffet. I'll miss you Aunt Pat!

“ I will always remember going to visit Aunt Pat when we were kids and hearing the stories of her and Aunt Helen living together in the apartment and how they used to shop every day and keep their cold stuff outside in a cooler before they got their refrigerators! And Aunt Pat telling me how she loved getting the Christmas card and school photos of my girls and they looked like “movie stars” and she’d proudly hang them up. And going there every Christmas Eve for brunch. Aunt Pat always such a loving kind person and will be missed by all.

“ I was Pat's boss for many years at DSS. I never met a kinder, nicer person than Pat. She never spoke a bad word about anyone. She became a friend to everyone. And I count myself among the lucky to have been her friend. Even though she always had a smile on her face, it always made my day to make her laugh, Rest in peace, my friend.

“ I looked forward to Christmas Eve brunch each year with aunt Helen and aunt Pat when we were growing up. Every year for each holiday aunt Pat would send us a card to let us know she was thinking of us. 🥰She was so kind and will be missed.

“ I will always remember Aunt Patty taking me out shopping on Central Avenue at Christmas time when it was “the” place to shop when I was little, and going back to her house to sleep over. It was a magical time of year and she made me feel so special. She truly was the kindest person to everyone, and she was loved by all who knew her.

“ Aunt Pat was a kind loving person who would do anything for anyone. A quick phone call would always end up taking a while because we would talk about how everybody was doing. She really cared about everyone. She will be missed.

“ Pat was a woman with a heart of gold....she was my sister in law..my work mate and my friend...she would do anything she could to help others...her kindness glowed from her...strangers would come up to her and within a few minutes she would know their life stories..she loved her large extended family and enjoyed time spent with them...she adored her grandson Ken who took care of her needs for years..we loved her sense of humor...we will miss her so much...heaven's gain is our loss.
