“ To Mike, Maureen, David and Amy: We received a message from Brigitte Weible last week that Pat had passed away. We are so upset to hear this news. I had called Pat in May of this year and talk with her. It was so wonderful to hear her voice after a number of years. We are so glad that we had the pleasure of being neighbors of Mike and Pat. They were so giving and caring from the very beginning of our moving into the close-knit neighborhood. I feel that their kindness and helpfulness since moving from out of state really helped me mentally transition into our new location. We felt so welcomed into the neighborhood. We never turned down an invitation for dinner from Mike and Pat. Every meal was delicious and the company was first class. I got a real lesson in how to throw a small dinner party. We never had neighbors who were so welcoming. We became fast friends. Pat taught me how to play Mah Jongg. Mike helped me make one of his famous baskets. Thank you Mike! So thankful to have met you both, that we were part of your lives, and were able to call you our good friends. Our deepest sympathy to all!

“ I am sorry for your loss. We have not met, but I learned today that I have 14% DNA match with Patricia Loudis. My condolences to my cousins. My mother, Margaret Brand, daughter of Harold Brand and niece of Margaret and Madolin always spoke fondly of our upstate NY relatives. I'm saddened I never had the opportunity to meet her, she sounds like a remarkable woman. Doug Gould

“ Mike, im so sorry for your loss of your beloved Pat after 61 years together. You were a wonderful, loving couple and I've been privileged to know you both for over 40 years. Pat used to attend our Albany Med School of Nursing Alumni reunions and Christmas parties, and everyone knew her as a lovely person with a kind and caring soul. She's certainly rejoicing in eternal life now. I offer my sincere sympathy to you.
