“ My heartfelt condolences to all of Pat's family. I knew Pat "back in the day" when we both volunteered (as class leaders in different classes) at Beltrone for what was then called their Strong Bones/Osteoporosis Wellness classes. She still lived in her house near Hyla. When she moved to the apartment, she continued to volunteer when she could. We lost touch over the years. Her volunteering made a difference in many people's lives. Thank you for sharing her with us. She was proud of all of you, as well as your families and admired your education.
