“ I first met Pat in the 1980's when I worked at the Center. What a great guy. Later when I worked in the business office at HVCC he would visit me often. We did once go to lunch at the Alexis Diner where Pat convinced me he would drive.... in looking back we would laugh about that trip. CP never slowed Pat down- he was determined, his Irish coming thru for sure. My condolences to his family. RIP Pat- we will meet again
