“ *We met Pat about four yers ago when he came to Arkansas with my nephew [Jamie]...he's been coming every year since and was here a few weeks ago... my children, grandchildren and myself fell in love with Pat....he was so kind,appreciative,fun to be around and a kid at heart...,we will dearly miss his visits...his smile...his hugs and his sweet notes thanking us ...i will also miss our talks about his family who i know he loved so much..he spoke so fondly of his mom and his brother who he recently lost...i also heard him call his mom everyday when he was here and tell her how much he loved her and that he was doing good...yes, he was a fine young man and will be missed by so many....our hearts go out to his family and friends ...god bless you...##imported-begin##Robin and family##imported-end##*
