“ Betsy and I were VI classmates of Paul's and I well remember his smiling face and upbeat attitude. I would run into him over the years, and it was always a pleasure to see him. His forever youthful appearance and positive thinking often made for great conversations. We extend our sympathy and prayers to the family.

“ Sending my deepest sympathy to the Church family. Paul was my boss at the state for 2 different times. I will never forget how he sent me to pick up a car in Saranac that had no windshield wipers on it & it rained all the way to Albany. I was soaked. A fond memory to be shared.
