“ *I'm sorry to learn of Peter's passing. As a dental colleague I have been friends with Peter for over 40 years. I had great admiration for his wonderful personality, his high standards, and his long term friendship. There are very few that measure up to Peter; his loss is a very sorrowful one. As with all his friends, I will miss him greatly.*

“ *Dr. Peter Primomo was one of the greatest human beings to live in our midst. We would often meet at the gym, even just weeks ago, where he would always share his thoughtful words. He was truly interested in the well being of others and was a fit example of kindness and compassion. Our entire community is better because of Dr, Peter Primomo. My prayers are with his beautiful family.*
