“ *My sympathies to your entire family. I hope you find comfort in all the great memories you hold of him. I only knew Ralph for a few months (I work at Atria), but he is someone who made an impact on me. He was such a sweet man, and I enjoyed the talks we had of military service, since my husband also served. I'll never forget the smile on his face when I'd walk into his room to care for him and have a nice chat. He's dearly missed. Love and thoughts to you all.*
