“ *Rich Murray was a loyal and cherished friend ever since our first meeting at WABY. No one before or since has had a better sense of humor; his specialty, making me laugh while I was trying to deliver a serious newscast. But Rich was far more than that; smart as a whip, unmatched in his knowledge of music, endlessly thoughtful and compassionate.*

Sending condolences to the sisters he loved so dearly. I can only imagine how you must miss him and so do I.

“ *I remember well the years in the late 60's and early 70's when Rich and I were radio personalities on WABY Radio. So sad to lose my best friend. Rich was a wonderful soul and will be sadly missed.*
