

Richard P. Walsh Jr

September 19, 1943 - April 13, 2021

Voorheesville - Richard P. Walsh, Jr., 77, a kind gentleman, respected trial lawyer, and litigator, died peacefully at Albany Medical Center Tuesday, April 13, 2021. He was the firstborn son of Richard P. and Angela Marchese Walsh.

Dick graduated from Christian Brothers Academy, the College of the Holy Cross, and Georgetown Law School.

He began his career at the Counsel's office at the NYS Department of Civil Service. Dick then went into private practice for a firm that specialized in negligence litigation and criminal defense where he worked for several years. This led to his decision to become an Assistant D.A. in the office of then-Rensselaer County D.A., Con. G. (Gus) Cholakis.

While he enjoyed criminal law, Dick also had a strong desire to practice labor law and to do trial work, so he went to work for Lombardi and Reinhard where he began his distinguished career in labor law by arguing many of the early decisions establishing the Taylor Law case while representing the Albany Permanent Professional Firefighters Association.

Dick became a partner and head of the litigation and labor law department at

Lombardi, Reinhard, Walsh & Harrison law firm, where he obtained numerous multimillion-dollar verdicts and settlements for injured clients. He specialized in representing labor clients including police and firefighters unions, teachers, Plumbers and Steamfitters, Ironworkers and the International Union of Operating Engineers. He was Counsel to the Colonie PBA for 35 years and Columbia Memorial Hospital for 25 years. Dick was recognized statewide as an expert in public sector labor law, lead Counsel on the Springbok South African rugby team (which went all the way to the Supreme Court), an editor of many Public Sector Labor law publications, and an expert commentator on WRGB Channel 6 on labor law issues. He taught numerous CLEs on litigation and labor law, and lectured on labor law at Cornell University, Albany Law School, and the NYS Bar Association. Dick was also on the Board of the NYS Trial Lawyers Association. Recently, Dick joined the firm of Whiteman, Osterman and Hanna LLP, of counsel.

Dick was on the Alumni Regional Board of his beloved College of the Holy Cross for over 50 years, serving as president for several terms. He was an ardent member of the Holy Cross Scholarship committee, enthusiastically supported alumni events, and generously hosted all Holy Cross meetings in his law office board room. No meeting was complete without dinner, beverages, dessert, and his light-hearted sense of humor.

Dick loved his family and was a trusted friend. His genuine concern for each individual attracted people to him on both a personal and professional level. The mutual love and respect he shared with his fiancé Barbara and her son Jacob over the years made them the strongest of family units. The bond he shared with his parents and brothers, Tony and CD, was the envy of everyone. Dick enjoyed his role as counselor, whether it be in the courtroom or with friends who sought his advice in casual conversation. A good listener,

his honesty and humility made him easy to talk to and fun to be around.

Dick was a long-time member of the Lake George Club where he enjoyed many memorable dinners with family and friends. He was also a member of the Albany Country Club where he was often seen on the tennis court or relaxing by the pool. During the Saratoga racing season, Dick could be seen at the “Walsh table” visiting with numerous friends who would stop by to say hello. In traditional Walsh family style, special occasions were celebrated at The Palm restaurant, always beginning with Dick’s favorite, Shrimp Bruno.

A devoted family man, Dick is survived by his fiancé Barbara Ardman, her son Jacob Ardman of Voorheesville, his brother Anthony Walsh of Loudonville, his aunts Jean Bufe and Regina Riel of Latham, his nephew Matthew Walsh of Duxbury, MA and several cousins. He was predeceased by his brother Charles David (CD) Walsh.

Barbara and Family, I was so saddened to hear this unexpected news. My deepest condolences. Dick was a loving neighbor and friend of our family. I will always remember how excited I was when he would drop his car off for a cleaning and I got to drive him to the club and drop him off. Always appreciated his advice and willingness to help in any way he could. A great and loving person has been lost way too soon.

I'm sad to learn of Dick's death from a mutual friend, Dave Martel (HC '65). Dick and I played intramural football on the same team for 3 years at Georgetown Law School. He was a speedy receiver with great hands and if I could throw the ball anywhere near him, he'd catch it every time. An engaging and endearing personality, always with a big smile and a good-natured quip. May he rest in peace. Sincerely, Terry Lynam

My Deepest Sympathies go out to the Walsh Family & his many friends! I knew him well @ C.B.A. & H.C. to be a 'Classy Gentleman!! Always the first to greet me on my annual return to the 3rd floor Clubhouse @ Saratoga which was a sign to me that I was home once again !"If you can fill the unforgiving minute with 60 seconds worth of distance run"...which Dick certainly accomplished above & beyond! What a 'RESUME"! Always a 'CRUSADER"! May God Bless & Keep him ! Tom Flanigan[CBA '59]

“ I am sorry to hear of Dick's death. We were friends at CBA many years ago. I had dinner with him and Gene before our 50th reunion. I felt bad that we had so little contact over the years. We shared a common interest in the labor movement. My condolences to his family and friends..

“ To the Walsh Family and Barbara and family. I am so sorry to hear about Mr. Walsh's passing my mother (Betty Hemsing) worked for Mr Walsh for many years. I have just learned of his passing today. He was a great guy, always willing to share his time with my brother Brian and my sister Katie and I he would go over our report cards as we were growing up telling us we need to do better and also share our joy when we did well in school. He would also meet us at the YMCA in downtown Schenectady and challenge my brother and I to games of 2 on 1 basketball which he came out on top of many of times much to our dismay always telling us it will take team work to beat him. My mother was sick the last couple of months and also didn't know of his passing please accept my condolences on behalf of my brother and sister and my mother who also recently passed away Im sure Dick his handing her work as I type.

“ Barbara and Family, my deepest condolences for your loss. I am devastated to learn of Dick's passing. He was the type of person you expected would simply live forever. That smile, his big heart and how he lit up a room will be forever in my memories of him. He was truly one of a kind!

As a distant (Marchese) cousin, Dick always made time for my call, and lent his legal ear and his personal one to me on many occasions. He periodically mentored me as I navigated my own legal career, and I am grateful for his time and guidance. He was never too busy. He always left me smiling. He will truly be missed, but never forgotten.

“ I used to call Dick Walsh “The Mayor of Albany”.

This dapper bon vivant was an annual attendee each August at the giant cocktail party at the Saratoga Sales, where lovers of the sport of horseracing lined up three- and four-deep at the bars paying some-- but not total-- attention to the auction of regally bred thoroughbreds inside the Fasig-Tipton Pavilion. Dick appeared to know EVERYBODY. When you walked up to him, he would introduce you to dozens of people and be the life of the party.

Dick, his brother Tony and late mother Angela, regularly hosted scores of Saratoga regulars and Holy Cross classmates at their prime table up on the track’s prestigious Turf Terrace, and I was among the lucky people who had a chance to spend an hour or two or three at their table during my annual trips to The Spa.

I got to know this wonderful guy during our years at Holy Cross and at reunions in Worcester and Rome, and refreshed the friendship each year at Saratoga. During his junior year abroad at Loyola Chicago’s Rome Center, he was a fabulous Holy Cross ambassador to students from many different colleges. He was one of the most stylish and personable men I’ve ever known. I was so very saddened to learn of his death.

“ Tony / Barbara - I was truly saddened to hear of Ritche's passing - not only was he family but he was a mentor to me while I was a student at Albany Law - on my graduation he sent me a card reminding me that " the law is not found only in the books " I have remembered that to this day - he lived his life and practiced his profession with that in mind and I have tried to do the same - when my father passed a few years ago he took the time to write a personal note writing among other things that my father was his role model growing up - I am certain that many lawyers in Albany say the same about Ritchie - when we last spoke he reminded me that " you always have family in Albany " - he was very special and will be missed by all who knew him - David Walsh

“ Our deepest sympathy to Tony, Barb and extended family. Dick Walsh was a true gentleman in every sense of the word. He was a loving and devoted son, brother, companion and friend. Dick was one of the most generous men I knew. If you wanted to try and pick up the tab...you had to trick him. “ I’m very sad to read of Dick Walsh’s passing. I was Dick’s law partner for five years and knew him to be a brilliant lawyer and a gentleman. When faced with the sudden untimely death of Gary Lombardi, Dick in typical fashion met the moment. He was respectful, fair and a real leader. His legal career evokes Teddy Roosevelt’s “Man in the Arena” speech- “The credit belongs to the man who is actually in the arena...who strives valiantly...who knows great enthusiasms...who spends himself in a worthy cause...his place shall never be with those timid souls who neither know victory or defeat.” My deepest condolences to Barbara, the family, and to Dick’s many friends. “ I knew Dick first at Holy Cross when we were students! He was selfless then as he travelled through life at full speed and never stopped!

He remained as that throughout his life and, yet, when you were with him it was as though there was no one else around He focused on you and listened to your words. I am certain there are many who believe that Dick treated them as his best friend, and, since his generosity, love and concerns for others was boundless, they might be right.

He served many humbly, judged not others in any negative way and always affirmed others.

He faced life realistically and knew his own mortality. Yet, even when slowed, he took the time to go with me to visit our friend, Jake Kelliher, last Fall before he passed, for a very meaningful period of reflection.

He will be deeply missed but will live on forever in those he touched.

“ Dick, Richie, or Doc (All the same guy), I have known the Walsh Family since when they moved from Troy out to Loudonville in 1959. Dick and his two younger brothers, Tony and CD were contemporaneous with my older brother, MJ, with Brian and myself. We skated at the Town Hall Pond, played all sports at Siena home to the “Infamous Turkey Bowl” played continuously on Thanksgiving Morning from 10->12 for some 27+ years in a row! Dick was a role model for me, a surrogate father, my attorney and a GREAT and GRACIOUS friend for some 60+ years. You will be missed, God Bless and RIP. PDH

“ I will always remember Dick as "Little Richie Walsh". You see he was my cousin. My memories of Richie go back to when we were kids and played in the "White House" and then at his family home in Loudenville. I remember the pool across the way. and the summer fun. As families do we lost touch. I moved around a lot. The last time I saw him was on 2010 and I could not thank him enough for bringing his beloved Aunt Jean and Reg to my mother, his Aunt Viola's funeral. RIP

“ Barb and Family,

We were completely stunned and saddened to learn that Dick has passed.

Dick was one of the friendliest people at Albany Country Club. He always had a smile and good words for everyone. His entire demeanor glowed when he was with Barb. You both always looked so very happy together.

Last summer we had our granddaughter at the pool. Dick, Tony and Tom Hughes were playing basketball in the water. They began to toss the ball to Isabel. After a while, they were ready to get out of the pool. She asked boys were are you going? Such great laughs from everyone.

Dick has been a wonderful example to us all as to live and enjoy life. We shall miss him.

“ I met Dick Walsh around 1974 when I was still in law school. I was a law clerk in the City of Albany’s Law Department and he represented the Albany firefighters. Although that was over 45 years ago, what is indelibly fixed In my memory is his devilish smile and his infectious laugh. I can still see his smile and hear his laugh now like it was yesterday.

It’s hard to find the right superlatives to describe Dick Walsh, the person and Dick Walsh the attorney.

Dick Walsh the attorney was one of the Capital District’s premier litigators for over five decades, respected by the Bench and Bar throughout the entire State of New York.

Dick Walsh the person was a man of great generosity and kindness who would leave no friend behind and he was a friend to so many.

For every person who ever met Dick, they were blessed if they could call him friend and colleague.

A life lived in full, God’s speed Dick Walsh.

I've known Dick most of my life as my father was a partner in LRWH - Lombardi, Reinhard, Walsh & Harrison. I was fortunate to spend time with Dick in late 2019 when I was visiting my parents. *To Barbara Ardman, Tony. and other family members,
As you know,Dick and I were law partners for many years. We dealt with many 'usual' matters', but also some exciting ones, such as the Springboks Southj African Rugby Team"s controversial visit to the U.S. Governor Carey tried to stop them from coming to play in our area. Dick was most influential in our winning the case!
But aside from the practice off law,Dick and I were very good friends. We went out to lunch on many occasions, laughed a lot and shared many memories. He was so enthusiastic and alive!
I will never forget him.*
