*Dear Robert and Family we are all very sorry to hear that Bob has left us. It was always a pleasure to work with him. He will always be remembered for his pleasant personality with his funny humor, nice voice ,making all of us and the tourists laugh. Oh look he yelled ,Amish Cows! He will live on with us in our memory and drive with us in our memory on all future tours.*

“ *Dear Family of Bobby,  
My wife Jane and I were fortunate to go on a wonderful trip with Judy and Bobby this past spring. Bobby as a driver, as expected was perfect. However he was more than a driver. He was a wonderful human being. Being with him, getting to know him, seeing him with his family is something we will never forget. We can't begin to imagine your great loss. Bobby's memory will be with us forever. Please accept our condolences*

*Love*

“ Dearest Ayers Family, We will miss our Dr. Iver's on all our future trips with YT. He was a wonderful man, so dedicated to his job and all of the people he carted around the country near and far. He will be missed by many, but mostly by his loving family. We will remember him always.

“ What can we say about a man who has means so much to our "Family"; who he became a very important part of. He was a very loving and generous person. My Mom and Dad brought pilgrimages to Sainte-Anne-de-Beaupre` for over 30 years and never trusted anyone more to the care and well being of all their Pilgrims then Robert. He had a gift of making everyone feel welcomed and special. He cared about the needs of everyone on our Pilgrimages and making them feel comfortable and safe. He was like a son to my Mom and Dad and a brother to us. He watched my children grow as we made our Pilgrimage each year with my Mom and Dad and am proud to say he got to meet my "little girls" first born son. Christian got to meet "Grandpa" Robert and loved him instantly. I made my first Pilgrimage this year for my Mom and Dad and could never have done it without his help. I will always be grateful to him for giving me the direction I needed to continue this beautiful legacy for them. I will miss him terribly

Robert you touched so many lives with your smile and I know that God will have you driving the Angels safely in Heaven, ringing the bell for 0 66, and blowing the horn as we sing I've been working on the Railroad.

WE LOVE YOU ROBERT! YOUR ARE NOW AND WILL ALWAYS BE IN OUR HEARTS AND PRAYERS AS WE CONTINUE OUR PILGRIMAGE TO SAINTE-ANNE-DE-BEAUPRE.

PLEASE WATCH OVER US AND KEEP US SAFE.

MAY GOD BLESS YOU ALWAYS.

WITH MUCH LOVE AND GRATITUDE
