“ *Uncle Bob will certainly be missed! Always full of stories and laughs. At family events, Always introduced himself as cousin Bob. Left a lot of folks confused on my dads side of the family. But we always got a good laugh out of it.*

“ *Bob will be missed along with his stories , sense of humor, and kind, generous nature. I remember him introducing himself as "Cousin Bob" and my parents 50th Anniversary Party bringing puzzled looks to the family and friends there, as those who knew him better struggled to keep a straight face. Bless you and Save a place at the eternal table for us.*

“ *I loved my brother-in-law Bob. He was kind and generous and loved my sister with all his heart. He had an off-beat sense of humor that always made me laugh. He also made the best pan fried potatoes with peppers and onions I ever tasted! He also always called me kid, which at 68 I really loved! Rest In Peace sweet man.*
