“ *Dear Rose,*

Please accept our deepest condolences. We only learned of Bob's passing yesterday when we received the recent AMC Alumni Association Bulletin. I am Murray Korc and I was one of Bob's classmates at AMC. We were friends and I loved his sense of humor and spirit of camaraderie.

Both of you visited us in Mill Valley California in the late seventies and you gave us a beautiful English dictionary as a gift. If you recall, we all played scrabble (Bob was much better at it than I). We have very fond memories of your visit.

We wish you and your family all the best and send you our warmest regards,

*Murray and Antoinette
