“ *Through many years and countless adventures Ron was a best friend. A man who personified a gruff exterior with a kind heart, I will miss him greatly and always remember the great times we had together.*

I had the privilege of working with and learning from Ron! What a unique and interesting friend he was. Ron and I went out to lunch at Otis and Oliver's last month to catch up on many lost years, We agreed to do this every month but god had other plans! Rest easy my friend, you will be missed and never forgotten!
