“ Rose was a special lady, we did business together at the bakery for probably close to 20 years. We always talked about our business in the back of the bakery because Rose was never one to have idle hands. She always while we talked, and then occasionally I could get her to sit down where we shared a cup of tea or coffee. I was always amazed by her energy and drive and loved her wry little smile. I know she is resting in peace knowing how deeply she was loved and cared for by her family. Jeff Bryant
