“ *Joe & Kerry So sorry for your loss. Your mother was always so helpful & caring. Her & my dad are probably discussing all the wonderful trips they had together in heaven. And there's probably pictures up there. Every time I open a photo album I see a place I forgot or never realized they were there! They lived a good life! We ll always miss them but not there memories. Joe, never really got to know you & Kerry. I used to frequent Wells, York & Algonquit area. Plan on visiting there again someday. When I do, would love to meet up with you & Kerry. Or when you come down this way give me a call. 2212539. Sincerely John*

“ *I am so sorry to hear about Rose. She was such a loving person. I always remember going to Bromley Mtn with Rose and my Dad to ride the Alpine slide when I was young. We always had a lot of fun! She was so good to my Dad when he was sick. I know they are happy to be together again.*
