“ *To the family of Rose. I'd like to extend my sincerest condolences to your family on your loss . I was a high school classmate of Rose. I did see Rose very recently and we spoke only briefly, i had no idea she was sick. When we met prior at a couple of our high school reunions, she still had the same great personality as always. Rose was always smiling and bubbly and very friendly.. had a unforgettable smile and laugh that would light up a room. My prayers go out to you and your family as you mourn her loss.
