“ *Hi Mary and Clara,
We are deeply sorry for the loss of your mother Rosa. She was a sweet and caring friend to my mother and father, Al and Iris. They enjoyed their times together at each of their respective homes. We enjoyed conversations with Rosa and got to know her well. Rosa was hard worker, dedicated, and placed her family first. I hope you take solace in that she lived a long life. Rosa is at peace now and in a better place. You are both in our thoughts and prayers. Love, Rich and Fran Marini*

“ Clara & Mary, we send our deepest sympathy to you and your families. Your mom was a beautiful lady. We were so fortunate to have her as a neighbor and friend. She treated me and my girls as family. Still miss her greens and beans. Gardens (vegetable and flowers) were her pride and they were awesome.. So many great vegetables that she shared. Our prayers got out to you all. Love, Lynne, Debbie, Laurie and Vicki. (Zell)

“ Dear Family,
Your mother was a kind hearted, hard working friend who brought joy to every office she entered. During the most hectic of days, I would look forward to her cheery smile and disposition. She had a sweet way about her and brought me back to my grandmothers from Italy. Sending thoughts of love and gratitude for having known her. Rest In Peace Rosina. You were loved by all.
