“ I got to know Sheilla a bit at Courtyard. Her love for music was obvious and it could almost always put her in a better mood. Best to her family who will surely miss her. From the daughter of a Courtyard resident.

“ Sheila O Sheila, my best friend from high school and through our 20s until we married. I saw you about two years ago and I was heartbroken to see you in such terrible shape. I prayed for you all the time. I hope I see you again. Come to me now Sheila and let me know that you're good that you're better and that you're happy again
