“ Dear Moss and Sheila,

We were so sad to hear of Sheila's passing. Visiting Sheila in your home was the closest thing to home. Sheila's warmth and welcome was an instant cure to homesickness. She was the one who taught me how to make scones and I still use her recipe very often. She made up her scone baskets beautifully. I could never have done it as nicely as Sheila. I only wish life was not as busy as it is because I missed having the time to call her for a chat or visit although she was never far from our thoughts. I met her in Price Chopper not too long ago and we laughed together. She was so caring towards Moss and her family and friends. She always added that special touch. She took the time even with all she had to do. We loved having Sheila, Moss, and you at the First Communions and were looking forward to one more with her in May. Every card she wrote, every gift she gave was thoughtful and she went out of her way to make sure it was. She spoke a lot of Fr. Ray Kelly the last time I saw her about how beautiful the song Take me back "Where I belong" was. Had I known it was the last time I would see her I would have hugged her for longer and asked her to sit and have a cup of tea but unfortunately we are always running and as my own Mother says "We don't know the day nor the hour." I loved your Mom Sheila. I learned a lot from her. She was very kind to Jerry and I and our girls. We were lucky to have known her. Her encouragement to me meant so much. You have all been in our hearts, thoughts and prayers and will continue to be. Love, Fiona, Jerry, Anna, Ella, Ciara.

It was a home away from home. we will miss the scones and jam and all the rest of Sheila's home cooking brought from Co. Meath. Our hearts go out to Mause and family and all the Irish community in Albany, she will be sadly missed. Love from Nancy, Tom, Ciara and Dara, Clonmel, Co. Tipperary Ireland. SLAN AGUS BEANNACHT.

“ *I have visited Sheila and Moss during the Christmas season and during the summer for a number of years. I will always cherish our visits. Sheila always had a luncheon fit for a king. The finest china, waterford glasses, delicious food, fantastic scones and incredible deserts were always part of the feast. We always had great talks and shared stories. Sheila always liked my brothers stories when he was present. My sister Chris also added to the great visits when she was in attendance. I truly had a wonderful relationship with Sheila. I will deeply miss her but I know she is now at peace with our Lord and Savior. I took pictures during our visits which I will cherish forever. I would like the Savage family to know that Sheila was truly a precious child of God who has now gone on to her heavenly reward.*
